

REMARKS

Applicants are filing herewith a Declaration in compliance with 37 C.F.R. § 1.67(a). The filing of the new Declaration is in response to the Examiner's objection that the previously filed Declaration was defective. Accordingly, Applicants believe that the new Declaration has cured the Examiner's objection.

Based on the foregoing comments, the above application is believed to be in a condition for further action on the merits. If any further amendment is necessary to advance prosecution or place this case in allowance condition, the Examiner is courteously requested to contact the undersigned by fax or telephone at the number listed below.

Respectfully submitted,
